## NOMINATION FORM

**AWARD DESCRIPTION:** The purpose of the “Perseverance Award” is to share and spread hope, exemplifying how perseverance to overcome obstacles is key to being able to participate in the sport of triathlon. This award will be given at the Quad Cities Triathlon annually, and will be awarded to a participant who has conquered a challenge, such as an injury, illness, or fear of something involved in the sport (i.e. fear or open water, etc.) The honor can also be awarded to a fellow triathlete or coach who has helped you persevere through a difficult time. However, that person also needs to be a participant in the Quad Cities Triathlon. The recipient of the award will receive a certificate and gift basket, including a pair of shoes donated by Fleet Feet Sports-Davenport (value \$150 or less our wonderful community partner in this effort!)
